# One Voice Institute

## Inclusion Policy

[WWW.ONEVOICEINSTITUTE.COM](http://WWW.ONEVOICEINSTITUTE.COM)

The One Voice Institute of Elemental Ethics and Education Inc. is committed to uplifting every artist and entrepreneur of our community, no matter their race, national or ethnic origin, colour, religion, age, sex, sexual orientation, marital status, family status, disability or pardoned conviction, and strive to foster a safe space within our organization and subsequent platforms where every partner is treated with respect and dignity. We are committed to taking action, learning, and supporting our Black and Indigenous partners, customers, and communities. We will ensure that outreach methods will foster relationships with and provide ample opportunities for artists and entrepreneurs identifying as Black, Indigenous, and People of Colour, spotlighting them, their work, and their businesses. We will accomplish this by connecting with businesses owned, created, and run by the Black, Indigenous, and People of Colour of our community. Discrimination will not be tolerated at The One Voice Institute of Elemental Ethics and Education Inc. or in any related project. Any instance of discrimination will result in termination of all partnerships and immediate removal from all of our associated platforms.
